

**WEA Academy
ESP Certificate Program
Fee Structure**

Basic application/processing fee:	\$75 per class (<i>not</i> per participant)
The same class offered multiple times a year:	\$75 for the first class, then \$60 for each subsequent offering within a school year. A year is defined as July 1 - June 30.
A class that already has universal recognition:	\$60 Classes which fall into this category include CPR training, other Red Cross programs, and the Crisis Prevention Institute training in "nonviolent crisis intervention."
Academy/Institute format:	Programs organized in an Academy format will typically cost between \$120 - \$240 . This might include a week-long or summer-long Technology Institute where a large number of classes are held. Participants will receive credit for the total number of hours attended (up to the maximum allowed).
Cancellation for pre-approved classes:	A charge of \$25 will be retained when a class is canceled. The remainder of the fee can be refunded or applied to a future program.
Late application:	A fee of \$25 will be charged for late applications (less than 30 days before the start of class). <i>We cannot guarantee that late applications will be processed in time.</i>
